BERTHS	(6) 2x double 2x single	ENGINE\DRIVE	Volvo Diesel \ Outdrive

General Description

Well presented 4 berth river cruiser with economical Volvo penta diesel engine. Good condition throughout.

Internal description

Forward, the spacious open plan cabin is a comfortable seating \ dining area with colour coordinated upholstery, back support, removable table, storage space above and below, 12 volt lighting. This area also converts into two full sized single berths, or by inserting the infill cushions will make a very large double. Table stows neatly in W.C compartment when not in use. In the middle of the cabin to starboard there is a compacted but well equipped galley with a two burner hob / grill, stainless steel sink with hot and cold running water, plate racks, cupboard, two drawers, ample work top space. To port is the toilet compartment with sea toilet. The rear of the cabin is used to accommodate the additional two single berths, unlike other quarter berths the top end of the berths are open to the main cabin, so does not feel as claustrophobic as on American style boats, the bottom end of the berths (where your feet go) use the dead space under the cockpit floor. This layout makes the Fairline Holiday feel much bigger than it really is. The cockpit is covered by a removable colour coordinated acrylic canvas canopy, the white vinyl helm and navigator seats can swivel to face the rear bench seat and table for an additional outside dining \ entertaining area. This area will comfortably seat five. Cockpit also includes a map table with reading light.

Engine/Equipment

Single Volvo Penta AQD21B Diesel engine with Volvo Penta 280 outdrive.
Comprehensive dash board including, tachometer, engine temperature gauge, oil pressure gauge, Compass, depth sounder and water proof instrument panel cover.
50 Gallon stainless steel fuel tank, 12 Gallon water tank.
